Take the Understanding Investing online seminar today!

ACCE and the Principal Financial Group® are hosting online education presentations to help you understand how the ACCE Benefits Trust Retirement Program works. The online presentation is available for you to view at any time. Choose a date and time that is convenient for you to learn more about the retirement plan!

Understanding Investing presentation

Please use the link below to view the presentation:

https://www.brainshark.com/pfg_ris/ACCEBenefitsTrust

*the password is "retirement"

You'll learn about:

- The 2008 salary deferral limits
- Contributing to the retirement plan
- Finding the right investment option mix for you
- How to use The Principal Retirement Service Center®

Get answers to your retirement planning questions from retirement specialists. ACCE along with The Principal®, which provides administrative services for the company retirement plan, will host the presentation. For over 65 years, The Principal has helped thousands of people, just like you, more successfully prepare for retirement.

Take time today to help prepare for your retirement

Take steps to help ensure that your investment choices are appropriate for you. Take advantage of the many resources and tools available to you from The Principal by attending an online meeting, visiting their Web site at www.principal.com or by calling a retirement specialist with questions at 1-800-547-7754.

WE'LL GIVE YOU AN EDGE®

Insurance products and plan administrative services are provided by Principal Life Insurance Company, a member of the Principal Financial Group (The Principal®), Des Moines, Iowa, 50392.
